11. Do you intend to return to post-secondary school full-time in the fall?

Inkblot – Product Design Internship

Please answer the following questions about your qualifications as they pertain to the Product Design Internship at Everist.

Part 1 (a): Must-Haves

Please check off which of the following apply to you:

- A strong understanding of Figma and a willingness to master the software while in the Internship
- Self-directed learner
- An understanding and previous application of design-thinking methodologies and outputs (ie Design Sprints, user testing, wireframing, prototyping). Student work is acceptable.

Part 1 (b): Good-to-Haves

Please check off which of the following apply to you

- Knowledge of mobile application testing
- Knowledge of Database and Object-oriented Programming concepts

Part 2: Application Questions

The following questions will be asked for all positions. Please tailor your response to the partner organization(s) you are applying to work with.

1. What does social impact mean to you? (Maximum 100 words)

2. What will you bring to this role? What do you hope to gain? How does this position fit within your future goals? (Maximum 200 words)

3. Describe a time when you faced a challenge. How did you approach it and what did you learn from that experience? (Maximum 150 words)

And that's it! Thanks again for taking the time to apply.

You'll receive a confirmation email once you click 'Submit' and we'll reach out to book initial phone interviews by **February 28th, 2022**.

Please note that given the volume of applications we anticipate receiving, we are unable to notify applicants who are unsuccessful in securing an interview.
