

## Impact Investing Intern, Public Research

### Full-time Summer Internship

May 9 - August 12, 2022

**DEADLINE: Sunday January 16, 2022, 11:59pm Eastern**

As an impact investing intern at Rally Assets, you will work with and learn from the leading impact investment team in Canada, gaining a solid understanding of the impact investing sector, the breadth and diversity of impact investments, and the power of impact investing to transform the world.

### ABOUT RALLY ASSETS

We're an impact investment management and advisory firm. We help investors generate positive social and environmental impact alongside a financial return. We create specialized solutions for corporate and institutional investors, foundations, family offices and individual accredited investors. Since our start in 2010 as Purpose Capital, we've been a trusted leader in the sector.

This internship is being offered as a part of [The Good & Well Internship Program](#). Throughout the summer internship program, Good & Well provides participants with opportunities to work with dynamic, high-potential social ventures as well as to learn from and network with professionals working within the social impact ecosystem in Toronto.

### ROLE DESCRIPTION

Using Rally Assets' proprietary impact investing framework and process, the Impact Investment Intern will evaluate investments across all asset classes that provide a positive impact to society and align with Rally Assets' client values and objectives. The role will be extremely hands-on and offers an opportunity to work directly with the firm's senior leadership team. The successful candidates for this role will have a deep personal commitment and passion for investing that achieves positive societal impact while achieving client financial objectives.

### KEY RESPONSIBILITIES

Applicants can expect this role to include the following:

- Identify and research multi-asset class impact investment opportunities, including both public and private market investments
- Support impact and financial due diligence on targeted investments
- Support population of Rally's proprietary product database and platform
- Collect company or fund raw impact data by reading investor reports
- Provide analysis and research to advance Rally Assets proprietary impact measurement process and framework
- Attend and participate in fund manager diligence calls and meetings

The ideal candidate **must have**:
